

SIP-TERMINATOR LLC

Acceptable Use Policy

Binding terms for customers using SIP-Terminator LLC voice/messaging services

1. Prohibited Use

- Originating or transmitting illegal robocalls or calls that violate the TCPA, TRACED Act, or other applicable law.
- Unlawful caller ID spoofing or transmitting inaccurate, misleading, or unauthorized CLI.
- Fraud, phishing, impersonation, or any deceptive calling/messaging practice.
- Traffic to which the called party has not consented where consent is required.
- Any use that violates US federal, state, or destination-country law.

2. Caller ID & Consent

- Customer must have the legal right to use every CLI it presents and must present accurate caller identity.
- Customer is responsible for obtaining and documenting any consent required for its campaigns.

3. Compliance & Cooperation

- Customer must maintain its own RMD filing and robocall mitigation program where it is a voice service provider.
- Customer must cooperate with traceback requests and provide source information within 24 hours.
- Customer must promptly provide KYC information upon request.

4. Monitoring & Enforcement

- SIP-Terminator LLC may monitor traffic patterns for compliance and may apply caps, throttling, or blocking.
- SIP-Terminator LLC may suspend or terminate service immediately for actual or suspected violations, without liability.

5. Downstream Responsibility

- If Customer resells the service, Customer must impose equivalent acceptable-use obligations on its own customers and conduct KYC on them.

6. Acknowledgment

Customer legal name	<i>[Customer entity]</i>
Authorized signatory	<i>[Name / Title]</i>
Signature / Date	<i>[_____ / MM/DD/YYYY]</i>

*This document is a template to support carrier onboarding and regulatory compliance. It is not legal advice.
Customize to reflect SIP-Terminator LLC's actual operations and have qualified counsel review before issuance.*
